Charger Design Form

Is this replacing a current charger?	
Yes, make/model:	No
Input Voltage <i>select one:</i>	Input Phase <i>select one:</i>
Output Voltage <i>select one:</i>	Output Current
If other, specify:	
Mounting Style	
IP Rating	
Yes	No
If yes, select one:	
UL/CE Requirements	
Yes	No
Alarm Indicators (LEDs), select those that apply:	
Low Voltage High Voltage Ground Fault Rectifier Failure AC Failure	
Individual Alarm Relays, select those that apply:	
Low Voltage High Voltage Ground Fault Rectifier Failure AC Failure Group Alarm (triggers on any alarm)	
Options/Accessories, select those that apply:	
Temperature Compensation (-2.5mV/°C /Cell) Reduced Ripple, ≤ 100mV Battery Eliminator/Power Supply	
Size Restrictions?	
Yes	No
If yes, explain:	
Additional Information:
